The Celebration Of The Sacraments In Time Of Pandemic

The following summary is based on updated to the Diocesan *Instructions for the Celebration of the Sacraments In Time of Pandemic* after consulting new guidelines provided by the CDC, NYS and the advice of medical professionals. It is important to note that appropriate measures are being taken to accommodate the faithful with the awareness that they include both the vaccinated and unvaccinated members. **We rely on the goodness and honesty of our people to follow State guidelines regarding those fully vaccinated and unvaccinated.**

UPDATED PROTOCOLS

- Parishioners are no longer required to pre-register for Mass, but we will take names as you enter church at least until the end of June. This is just a precaution we are taking.
- Parishioners who are fully vaccinated are not required to wear a face mask at Mass.
- All who prefer to continue wearing facial covering are free to do so.
- Those who are **NOT** fully vaccinated should observe social distancing of six feet from individuals not in their households. They **ARE** to wear a face mask at Mass. Even if fully vaccinated, social distancing from those who are wearing a mask is requested.
- We have created “a physical distance section” within the church for those who are required to wear masks and engage in social distancing and/or for those who may be fully vaccinated but wish to continue to follow distancing practices. This section is on the left side of the Church facing the Altar. The right hand side of the church facing the Altar will be fully open. Parishioners may be seated in a staggered fashion while respecting six feet social distance, where required.
- Lectors, servers, Extraordinary Ministers of Holy Communion and sacristans must continue to follow prescribed hand washing and sanitizing practices.
- The Offertory processions with the gifts of bread and wine will resume. The Offertory collection will continue with the use of the collection box in the center aisle.
- At the Sign of Peace there still should be no physical contact.
- For the distribution of Holy Communion, those distributing the Eucharist will continue using hand sanitizer, masks. While in the Communion line, communicants should maintain social distancing from those not in their household.
- Holy Water fonts will remain empty.
- The use of permanent worship aid, missalettes and hymnals may resume.
- Bulletins may be distributed at Mass and may also be distributed electronically.

Gospel Meditation

July 18, 2021 16th Sunday in Ordinary Time

There's an ordinary pine grove located on a tree farm not too far from town where life's stresses and demands seem to melt away. It is here that

all that seemed so important out there no longer is and one can get lost in the rows of trees and majestic beauty. God is here and all is good. We need to connect with the Divine Source of all that is in order to understand what it is we are doing and why we are doing it. Otherwise, things stop making sense and bitterness can overcome one's spirit. It's okay to play once in a while and to discover that place of profound life and peace. People always have needs and there is constantly something to do. And while all of that is necessary and we are needed, there is also that inner solitude within that needs to be celebrated and released.

We all need a pine grove. It's that little place we can go and leave all that consumes us behind. It's a place where technology can be set aside and wonder, and awe given some time. We don't have to text, calculate, or orchestrate anything in the pine grove. It is a somewhat deserted place where all of that can be set aside and we can just be. The anger, frustration, exhaustion, discouragement, helplessness, and occasional apathy, all can fall to the ground like all of those pine needles that once held their place on the branch of a Frasier Fir. The needles can let go. We can let go. We are beings connected with Being and we all need to remember what really matters, who really matters and what life is truly all about. We need to find that place where we can rest and let go of all of the barnacles we accumulate. Rest, breathe, seek, and love.

The world will need us again when we leave the pine grove. It will all be waiting for us, beckoning for our attention. But we will have prayed and will have marveled at the silence and the beauty of goodness. We can go back, ready, and eager to listen, to help, to heal, to cry, to embrace, and attend to all that is asked of us. But, having let go of the distractions in that deserted place we will have a renewed sense of purpose. We will know better Who it is we serve and what we are meant to do. It will all be clearer now that we have been Divinely touched and refreshed.

Feast of St. Mary Magdalene July 22

"Apostle to the Apostles," Mary Magdalene's story may be one of mistaken identities for 20 centuries. Who then is Mary Magdalene? Regardless of her past, we do know that she was a devoted disciple of Jesus. Learn more about Mary Magdalene here: Vaticannews.va St. Mary Magdalene, Disciple of the Lord, FranciscanMedia.org St. Mary Magdalene, Catholicnews-agency.com St. Mary Magdalene.

A Family Perspective Family Life Education

In today's Gospel, "the apostles gathered around and told Jesus all they had done." Listening allows the other person to express, understand and appreciate their experiences. Whether it is the excited chatter of a young child or the repetitious stories of an aging grandparent, listening is important. It is not just time well spent, it is sacred time.

The apostles gathered together with Jesus and reported all they had done and taught. He said to them, "Come away by yourselves to a deserted place and rest a while." So they went off in the boat by themselves to a deserted place. — Mk 6:30-31b, 32
