## Gospel Meditation

### December 26, 2021 The Holy Family Of Jesus, Mary and Joseph

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

## Dear Parishioners,

As we continue our celebration of the Christmas Season, I want to thank everybody who worked so hard to make our celebrations on Christmas Eve and Christmas Day so special. Our celebrations were different this year because of the pandemic, but they were still beautiful reminders of God's tremendous Love for us; a Love so great that He sent His Son to save us. Thank you to all who made our celebrations so special.

It is important to remember that Christmas is not over. The Christmas Season doesn't end until January 9th, the Feast of the Baptism of the Lord. As we reflected on during the Advent Season, many of us find Christmas such a let down because all of our attention is focused on the commercial aspects of the season. For too many of us, after the presents are opened on Christmas Day there is nothing else. However, in Faith we continue to celebrate. Today is the Feast of the Holy Family. The Holy Family is the model for us as a family at home and also as a parish family. Today the Church invites us to stop and think about the qualities that must have been present in the Holy Family: Love/charity, patience, and forgiveness are a few that come to mind. During these challenging times of this long pandemic, we must seek to make these qualities present in our own lives, in our own families. There is a great temptation to think only about ourselves; the Holy Family sets an example for how we all should strive to live. Let us pray that these same attributes will mark all of our families, including our parish family.

My prayers remain with all of you for a Blessed Christmas Season and a Happy New Year.

In the Peace of the New-Born King,  
Fr. Caruso

## A Family Perspective Family Life Education

Today's Gospel contains this truth about parenting: "but his parents did not know." One of the reasons parenting is so difficult is because our children don't tell us everything. If the Holy Family had trouble with their teenager, why do we think it will be easier for us?

## Religious Education News

There are no Religious Ed classes this week Jan. 2, but classes will resume on Jan. 9. Merry Christmas. We offer classes from Pre K (4 years old) to Confirmation II. If you wish to have your child participate please call Betty Warren at 315-420-6357.

**Prayer For Peace**

*"The world must be educated to love Peace, to build it up and defend it."— Pope Paul VI, 1968*

World Day of Peace is a feast day of the Roman Catholic Church dedicated to peace. Held on January 1, on the Solemnity of Mary, Mother of God, it was introduced in 1967 and was inspired by the encyclicals, "Pacem in Terris"; and "Populorum Progressio."

On this day, we act as a global community to take steps toward a more peaceful world. Through actions and prayer, we are able to work toward a more peaceful future. Let us pause for a moment of reflection as we pray for world peace.

Loving God, we ask for your help in bringing about peace among all people. As Your children, we are bound to each other through our created nature. Help us to see that our differences are not cause for conflict. Open our eyes and allow us to see our neighbors as our brothers and sisters. Bless our actions, that they may be the cause of peace and not injustice. Bless our lips, that they may speak Your loving words in conversation with all people and be an avenue for change through prayer. Amen.

Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.  
—2 Cor 5:17 (ESV)

May God's peace be upon you and remain with you throughout the year.
